Las Vegas, NV (June 25, 2019) — On the infamous Las Vegas Strip, a diverse line-up of Grammy-award winning talent led thousands in praise and worship this Saturday, June 22, for the Peace Starts With Me Unity Festival. It was a powerful call for America to go beyond boundaries.

The festival filled the Marquee Ballroom at the MGM Grand. People from all walks of life stood united under the banner of peace and unity, singing, dancing and enjoying the high spirit together from beginning to end. The audience was deeply moved by the inspirational message given by the Mother of Peace, Dr. Hak Ja Han Moon.

“PEACE STARTS WITH ME”

“Bishop Noel Jones opened my heart, and then Dr. Moon stole it,” shared one audience member.

Prophet Samuel Radebe from the Revelation Church of God in South Africa gave an opening prayer, advising everyone to trust in God and unite for world peace. “This afternoon, we pray for peace and true unity in all nations,” he said.

Bishop Noel Jones, renowned pastor of the City of Refuge church in Los Angeles, introduced the Mother of Peace, preaching about Dr. Moon’s greatest joy as serving God through sharing the Marriage Blessing Rededication Ceremony with the world.

Dr. Moon entered the stage hand-in-hand with Bishop Noel Jones as she was welcomed to the podium with reverent cheers, delivering the keynote message about America being “the shining representative of Christianity and democracy.”

“America is in the position to create change,” Dr. Moon said. “The time has come to welcome God as the true owner. This is the key for Earth to be healed.”
